**Subject:** SUMMONS 12.1.11

Dear Annie and Daniela:

I apologize for the late notice but attached please find a summons to appear and give testimony on the [REDACTED] [REDACTED] case scheduled for trial in the BMC tomorrow. I am happy to put you both on call but just let me know if there will be any issues with tomorrow. I completely understand, given that this is such late notice. The summons does not have the lab numbers because my cert is over at the courthouse however I did put down the incident number. If you need more info in order to locate the file please let me know.

Thank you both again.

Katie
